

1 YOU DASHBOARD

After login into YOU app, you will be directed to the home screen of YOU. In this screen you will see all the products/ accounts and have access to all the functionalities of the YOU app: payments, transactions, contacts, and much more.

Now you can share your account details by taping the “Share” icon, and also you can transfer money faster by taping the “Transfer” icon.

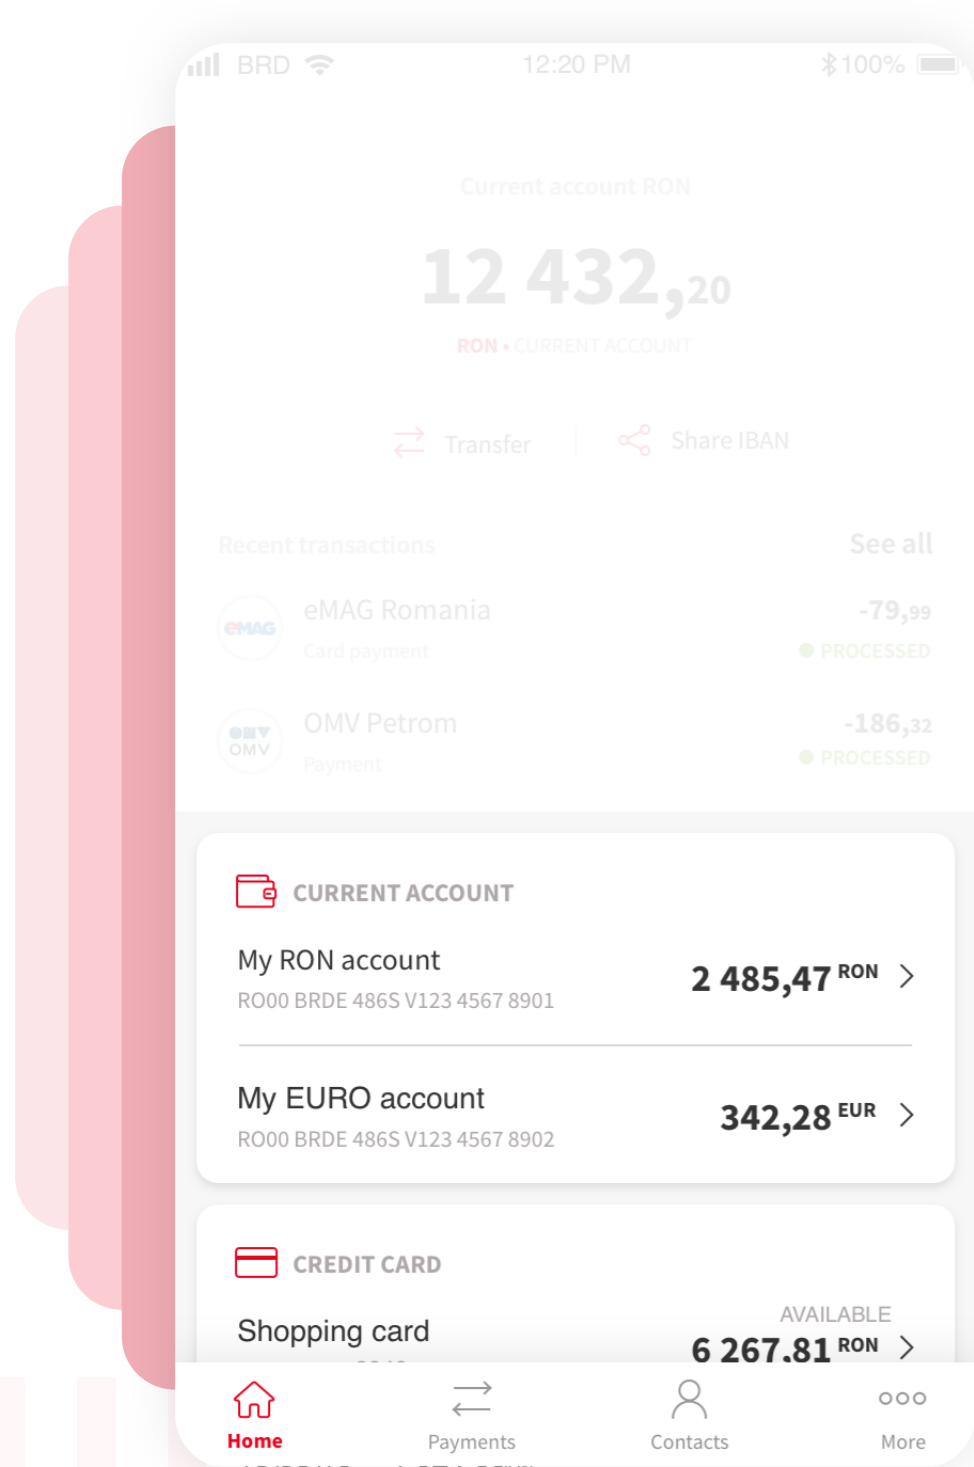

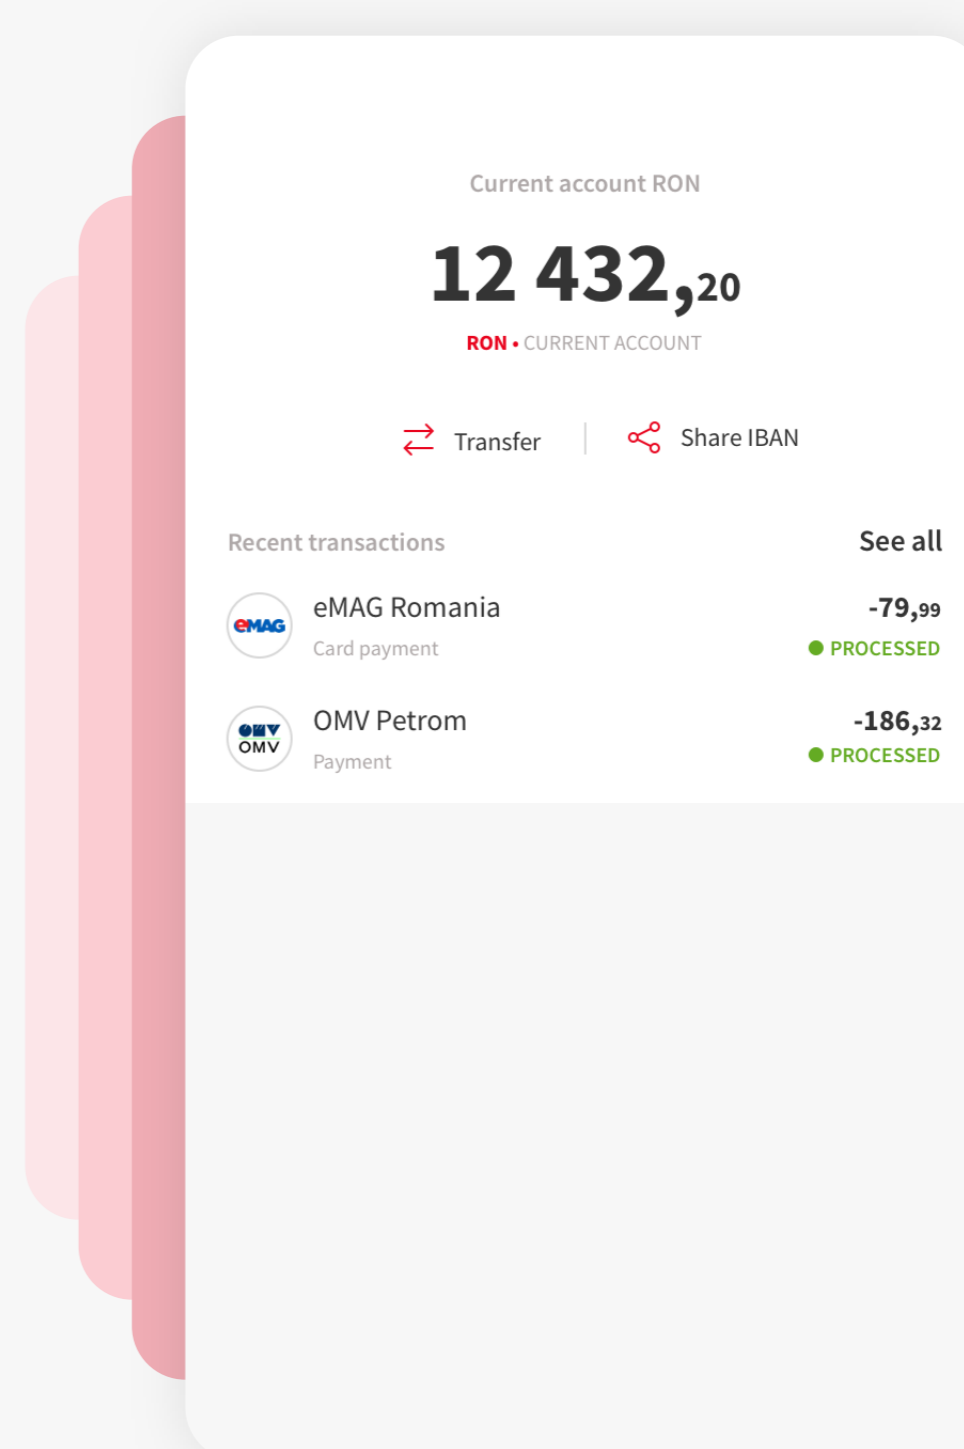

2 FAVORITE ACCOUNT

The favorite account is always displayed on the top part of the screen. For this account there are also displayed the most recent 2 transactions.

Here you can share your account details by taping the “Share” icon or you can make a transfer by taping the “Transfer” icon.

Taping on the balance will take the user to the account details, and taping on “See all” text will display the transactions history.

The name of the account can be customized from the account details.

3 ALL THE BRD PRODUCTS

Bellow the favorite account are displayed all other products owned with BRD. Each type of product shows relevant informations at a glance. Taping on any type of product, opens the transactions history. On that page, there are also accessible the account details and it's customisation.

Each account can be customised from it's account details and also make it a favorite account if needed.

4 NAVIGATION IN YOU APP

Perform any type of payment

Add/Delete you contacts

See your profile details, all the agreements in relation with BRD, contact BRD and Logout
