The screenshot shows the ANYMA FX Spot trading platform interface. The main header includes a search bar and navigation options. The central area is divided into several sections:

- 1. Currency Pairs:** A row of four currency pair cards (EUR/RON, USD/RON, EUR/USD, GBP/RON) showing bid/ask prices and 'Vinde' (Sell) and 'Cumpara' (Buy) buttons.
- 2. Orders:** A table titled 'ORDINE ACTIVE' listing active orders with columns for ID, Order, Portfolio, Exec, Market, Symbol, Status, and various price/quantity details.
- 3. News:** A 'ȘTIRI' (News) section with a list of news items including dates, titles, and sources.
- 4. Chart:** A line chart for the EUR/RON pair showing price movement over time, with a 'Cauta instrument' search bar above it.
- 5. Product Pages:** A bottom navigation bar with tabs for 'ANYMA FX Spot' and 'ANYMA FX Forward'.
