

1 MORE MENU

the “More” button offers access to: personal data, settings, inbox, consents and agreements between BRD and the user, contact BRD, “Logout”, and the app version number.

2 PERSONAL DATA

Tap on the area with your name to view your personal data in relationship with the bank, and also to upload your avatar.

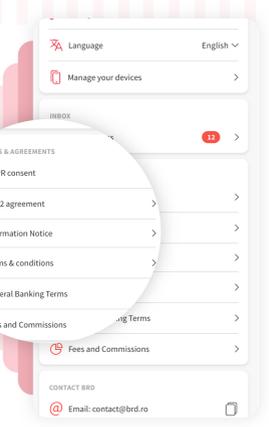

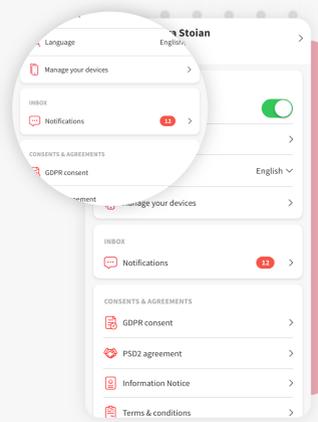

3 SETTINGS

In the “Settings” area you can: activate/deactivate the biometrics (fingerprint/facial recognition), change the PIN code used for login into the app, the language, and to manage your devices that have connected in the app .

The YOU app is available in Romanian and English.

4 INBOX

In the “Inbox” area you can see all your notifications. If you have unread notifications, a red bullet point will be displayed to notify you to check them.

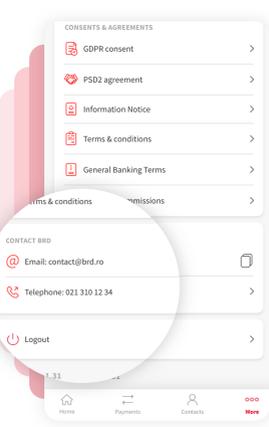

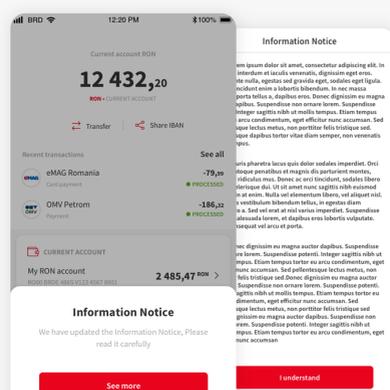

5 CONSENTS AND AGREEMENTS

In the “Consents and Agreements” section you can view and/ or modify the regulatory agreements: GDPR consent, PSD2 agreement, Information Notice, Terms & Conditions, General Banking Terms, and Fees and Commissions.

6 INFORMATION NOTICE

The Information Notice is now available to read and download in the “Consents and Agreements” area.

When a new version is up, a pop-up will be displayed in the homepage to notify you about it. Please read it carefully.

7 CONTACT

In the “Contact” area, the user can contact BRD in 2 ways, email address or phone number. The email address can be copied by tapping on the icon situated on the right side of the email.

Tapping on the phone number, will automatically open the phone's calling app.

8 LOGOUT

The access in YOU app is secure with the use of biometrics and PIN code and after a certain period of inactivity, the app will automatically log the user.

For an instant logout you can also tap on “Logout” button.
