II. WHERE DO WE HAVE THE PERSONAL DATA FROM?

We process the personal data that you provide Us, directly or indirectly (e.g. through empowered or other persons representing you in your relationship with the Bank, such as, persons who are entrusted with the exercise of parental/ tutorial authority), or that data that We generate or deduct as a result of the interaction with you through any of the channels of communication with the Bank. We can also obtain and process your personal data including from external sources, such as:

- **public institutions and authorities** (e.g. ANAF, FNGCIMM, NBR - Credit Risk Center or Payment Incidents Center (CIP), National Integrity Agency, National Pension House, etc.). For example, We can interrogate the databases of authorities/ public institutions to obtain certain information, such as: your tax situation; the Declaration of Wealth, in the case of politically exposed persons; ; the status of your forced execution file; your employee status; information on the status of the claim file by the FNGCIMM; your identification data in the Credit Risk Center, including information on the type of loan contracted, the degree of indebtedness and the affiliation to a group of debtors.
- **registries and electronic databases** (e.g. Courtș portal, the Credit Bureau, National Register for Movable Assets, entities empowered to manage databases with designated persons, subject to international money-laundering sanctions and politically exposed persons, etc.). For example, but not limited to, when entering into relationship with the Bank, We interrogate (i) the Court’s portals to verify if you are involved in criminal litigations likely to reveal a certain fraudulent conduct, (ii) the Credit Bureau, to check the Bank’s exposure by reference to your payment behaviour or other incidents in relation with other banks, in case you request a credit product from our Bank (iii) if you are included

¹ Implemented in accordance with the provisions of Regulation (UE) 2016/679 of the European Parliament and of the Council of April 27, 2016 on the protection of natural persons with regard to the processing of personal data and of the free movement of such data, and repealing Directive 95/46/CE („GDPR” - General Data Protection Regulation - regulation for protecting personal data), applicable starting with May 25, 2018.

² The data processing designates any type of operation (collection, storage, copying, deletion, disclosure, etc.) that targets personal data (data that can lead Us to you or to another individual person).

in databases with designated individuals, subject to international sanctions that block the funds.

- **entities involved in payment operations** (e.g. international cards organizations, such as Visa and Mastercard, economic operators accepting cards payments, banks and other payment institutions involved in payment schemes, the Central Depository). For example, when you make transactions with the card, We can receive some data necessary to make the payments (e.g. the card's data, transaction amounts) from merchants who accepted the payment with the card. Also, in other types of operations (e.g. credit card payment, direct debit, debit instruments such as cheque, promissory note), We can receive your data from a bank/ third-party institution where the transaction was initiated, through schemes/ payment systems and interbank communications (such as SEPA, Regis, SENT or SWIFT).
- **commercial partners**, in particular service providers for the Bank. For example, We may find out your new contact information (e.g. address, phone number) from agencies providing debt recovery services for Us, data that they obtain from their own sources.
- **online platforms** (social media and internet) publicly available.
- **entities in BRD Group** (such as data on clients who had contracts with BRD Finance IFN S.A).
- **your employers**, for example if We enter into a payroll agreement with your employer.
- **other companies for which the Bank provides payment services** (securities issuers, insurance companies, etc.).
- **certificate issuers**, if you use the electronic signature;
- **Central Depository**, as a registry company for the Bank's shares.

For example, in certain situations, We may obtain your personal data from Bank's clients/ Bank's clients/ Client representatives (e.g. if you are a member of the Client/ client's family), board members of the Bank (if you are an affiliated person), if such data are necessary in the context of legal relations with the Bank's/ client/ Client.

The refusal to provide the Bank with your personal data may, in some cases, result in the impossibility of entering into relationship with the Bank or of contracting the desired product, service.

To prevent and combat fraud and/ or guarantee the banking secrecy: We verify the authenticity of identity documents as well as, if the case, of other documents that you submit; We monitor the way the contract is performed and the associated risks; We apply procedures for managing conflicts of interest.

We may contact you or, as the case may be, other persons (such as co-debtors, guarantors, agents, legal representatives) through various channels (e.g. phone, e-mail, SMS, at home), to communicate you/ them various aspects concerning the contract or the contracted banking product/ service.

For example, if difficulties arise in executing the contract, We may contact you to identify together the optimal solutions to continue the contractual relationship with you in the best possible conditions. We may also send you notifications regarding payment maturities or concerning changes in the features of the contracted banking product/ service.

Processing basis:

Entry into the contractual relationship and performance of the contract.

Compliance with legal obligations.

BRD's legitimate interest to ensure the contracts performance in an optimal and efficient manner.

C. ECONOMIC, FINANCIAL AND ADMINISTRATIVE MANAGEMENT. ANALYSES AND INVESTIGATIONS FOR INTERNAL USE

We use personal data to optimally organize and streamline the Bank's activity. In this regard, We may use personal data, among others:

- to organize some internal databases, to support the activity carried out by structures and departments within the Bank.
- to improve and optimize BRD's network activity, as well as our processes, products and services.
- to efficiently organize, perform and/ or manage debt collection and debt recovery.
- to prevent and investigate possible fraud/ fraud suspicions in banking operations.
- to perform various financial analyses, in an aggregated format, regarding the performance of BRD's network and its staff (including the Bank's sales force).
- to prepare various reports, in an aggregated format, on (a) BRD's activity and performance in financial and banking markets, and (b) its exposure to other financial institutions.
- to support Our position in various investigations, administrative and judicial procedures, litigations, etc. in which the Banks is involved.
- in the context of various analyses, internal audit procedures and/ or investigations carried out by the Bank, on its own

initiative or following the receipt of a complaint from a third party (including public authorities).

- managing controls/ investigations triggered by public authorities.
- for the development and testing of IT applications and systems, used to provide services to Clients as well as to support the Bank's activity;
- to ensure the security of information systems;
- for archiving, both in paper form and in electronic format of documents, as well as backing up electronic data.

Processing basis:

BRD's legitimate interest to streamline and optimize its activity.

D. SUPPORT - SERVICES AND COMPLAINTS MANAGEMENT

We process your personal data to solve your requests or of other persons, as well as for providing you/ them with additional information about our products and services.

For example, We may contact you by phone to respond to your requests or We may process certain data from the documents you provide Us with to solve your requests or complaints (such as a request to update your data or to block the card).

We audio record the conversations with you in order to improve the quality of our services as well as to test (a) your requests/ claims concerning a particular banking product/ service as well as, eventually, our response, respectively (b) your agreement/ option/ preferences for a particular product or service of ours. If you do not want to record the conversations above mentioned, you can contact Us on other available channels, such as by e-mail or by writing Us to our dedicate contact address. In this latter case, the effective settlement of your request/ complaint will not be affected in any way, but the settlement may be longer.

Processing basis:

Contract conclusion and execution, including for processing at your request for concluding the contract.

Compliance with specific legal obligations.

BRD's legitimate interests (i) to comply with a legal obligation and to avoid any negative consequences, and (ii) to carry out its activity in accordance with internal standards and with the standards established at the Group level.

The data subject's consent - you can withdraw your consent at any time - for details, please see Section VIII d) below.

E. DIRECT MARKETING AND COMMERCIAL COMMUNICATIONS

We want to keep you updated with the latest news about the products and services of the Bank and/ or of other companies within Société Générale (such as insurance companies, pension funds, leasing companies, investment funds etc.) and/or of our partners (such as insurance companies outside Société Générale Group) , to invite you to participate in contests or advertising lotteries that We organize on our own or with our partners (co-organizers). Before contacting you, We may also consider our internal analyses and studies (for details, please see Section H below).

In line with the aforesaid, We may also send you commercial communications, including direct marketing messages (selling of products and services) regarding the aforementioned products/ services.

We will only send you direct marketing messages and other commercial communications if We have obtained your consent.

F. SURVEYS AND MARKET RESEARCH

We are interested in your opinion about our products and services, about Us or other companies within the Group in general or about a particular subject relevant to our activity. We can periodically contact you to receive your feedback and suggestions on how to improve our

products and services or how we can better meet your needs and expectations. You are not obliged to respond and if you do not respond, it will not affect in any way your relationship with Us.

We also carry out market studies; for this purpose , We can work with market research agencies, which will either conduct market studies for Us, or provide us with market research results and other information related to the subject of such studies. Usually, we receive information regarding the market studies from our partners in anonymised format (aggregated data).

Also, if you do not exercise your right to object, We may use your physical address to transmit you by courier or by post commercial communications (leaflets, catalogs, etc) with news about our products and services, invitations to participate in contests or advertising lotteries that We organize on our own or with our partners.

Processing basis:

BRD's legitimate interest.

Your consent - you can withdraw your consent at any time - for details, please see Section VIII d) below.

G. OFFERS/ PRODUCTS PERSONALISATION

We want to offer you the most relevant products and services according to your profile and area of interest. Therefore, based on your agreement, We may analyze your data and information from the following sources:

- Our internal database, such as information from loan records/ other similar documents that We hold as a result of your previous loan requests/ other products and/ or banking services. For example, We are interested in knowing relevant information in order to evaluate your particular situation such as seniority in relationship with the Bank, age, occupation, income (including as a result of a credit application previously submitted by you), the quality of politically exposed person, the quality in the shareholding structure of a legal entity, the products and services held and their degree of use on different channels (e.g. Internet or mobile banking), the analysis of the typology of the transactions you made within a certain time/per product (e.g. cards)/ per type of traders and the value of the aforesaid transactions,; and/ or
- External sources, such as companies from BRD Group or our partners, international card payment companies, the Trade Registry, Credit Bureau, ANAF.

Offer personalization will not exclude your access to our products and services.

We analyse and combine the data and information mentioned above to provide you the products and services that best fit your needs and particularities. We may also use the aforesaid information to avoid sending you offers for products and services that, for various reasons (including our risk policy), are not of interest to you or you would not be able to access them, due to your particular situation.

The algorithms we apply for offer personalisation are based on information such as: seniority in relationship with the bank, age, occupation, income (including as a result of a credit application previously submitted by you), your previous credit application score, the quality of politically exposed person, the quality of shareholder/ associate in a legal entity, the equipment rate with products and services and their degree of use on different channels (Internet and/ or mobile banking), the analysis of typology and the value of your transactions within a certain time interval/ per product type or by traders. All this information is analysed for determining a statistical model, having as result a tailored product and services offer for you. This offer takes into account your transactional profile and

behaviour (as evidenced by the aforementioned information) and will include personalised products and services based on your needs.

The algorithms used may vary over time, so for more information about the logic used in creating offers/ products, you can contact us at the data mentioned in the "**CONTACT**" section.

Sometimes, in the process of offers/ products personalization, we use automated individual decisions.

We can assure you of the adequate guarantees for the automated decisions we make.

You have the right to: (i) express your point of view on that automated decision; (ii) To request a reassessment of the decision, on the basis of a human intervention; (iii) to contest the automated decision.

We will be able to use customized individual decisions to send you personalized offers if We have obtained your **explicit consent** in this respect.

Processing basis:

Your consent - you can withdraw your consent at any time - for details, please see Section VIII d) below.

H. ANALYSES AND OTHER INTERNAL STUDIES

We are preoccupied with the constant improvement of our products and services. Based on our legitimate interest, We use the data that we collect from you or other data that we generate/ deduct from the data received from you (such as: age, based on your CNP) for various statistics, analyses and internal studies.

Most internal analyses and internal studies are in anonymous format (aggregated data), providing Us with useful information for improving our products and services. Sometimes, We analyze your data to determine your specific Client profile, to better meet your needs and expectations.

CLIENT PORTFOLIO SEGMENTATION

We use information such as age, occupation, income (including as a result of a credit application previously submitted by you), the quality of politically exposed person, the quality of shareholder/ associate in a legal entity, the amounts held at the bank and/ or the outstanding of the loans granted by the Bank, in order to classify you into a specific generic profile, determined in accordance with the internal rules for Client portfolio classification.

In the same time, We have a legitimate interest in analyzing your data so as not to disturb you with information that does not fit your profile. For example, We can exclude you from a particular campaign if you exceed the age that We target for a specific product (such as cards dedicated to students).

We will send you direct marketing messages and commercial communications related to the products designed for the client segment you are part of only if We have obtained your **explicit consent** in this respect.

Processing basis:

BRD's legitimate interest.

Your consent - you can withdraw your consent at any time - for details, please see Section VIII d) below.

I. COMPLIANCE WITH LEGAL REQUIREMENTS AND INTERNAL NORMS

We process personal data also for complying with the legal obligations applicable to credit institutions. For example, based on our legal obligations, We submit various reports to relevant institutions and public authorities, such as: (i) FATCA and CRS reporting to ANAF, (ii) reporting suspicious transactions to the National Office for the Prevention and Control of Money Laundering (ONPCSB), (iii) reporting payment incidents to the Payment Incidents Center (CIP) within the National Bank of Romania, (iv) notifying ANAF within the Ministry of Economy and Finance or as the case may be, notifying other competent authorities when

identifying persons or designated entities, (v) Reporting of persons to "Oficiul pentru Implementarea Sanctiunilor Internationale" (MAE), in case of identifying sanctioned persons or entities. We also monitor our Clients' transactions to identify unusual/ suspicious money laundering or terrorist financing transactions, and to prevent fraud.

For additional information concerning the reporting made under our legal obligations, you can request this information.

We can also process your data. for the establishment and management of garnishments, the provision of information on garnished amounts to enforcement bodies or authorities, in accordance with the Bank's legal obligations.

Also, in order to comply with the legal provisions in force, We process personal data through security systems (closed circuit television and visitor's management/ access control) or access record registers, the data being kept for intervals regulated by the law. The data collected under the legislation on the protection of persons, goods and values may be made available exclusively to the authorities, at their request, respecting the conditions provided by the law.

In addition to the legal obligations, We are also committed to complying with a number of internal requirements/ established at the Société Générale Group's level on reporting and internal/ external audit that may, in some cases, involve/ have as a source the processing of personal data.

Processing basis:

Compliance with specific legal obligations.

BRD's legitimate interest and of Société Générale Group to carry out its activity according to internal standards and those established at the Group level.

J. DIVIDENDS PAYMENT TO BRD SHAREHOLDERS

Processing basis: Compliance with specific legal obligations.

IV. AUTOMATED INDIVIDUAL DECISIONS

Sometimes, in our processes We use automated individual decisions, including as a result of creating profiles, which under certain circumstances may have legal effects or, as the case may be, may significantly affect you. In this case, the automated decisions will always be based on one of the legal bases provided by Article 22 GDPR, namely (i) the need to conclude the contract; (ii) the legal authorization; or (iii) the explicit consent of the data subject.

Thus, We adopt automated individual decisions **by virtue of a legal authorization**. For example, the law requires Us to implement appropriate know your client measures for the purpose of preventing and combating money laundering and terrorist financing.

To this end, We check whether you are included in the databases of persons accused of terrorist financing or, as the case may be, in the databases of people with high risk of fraud and, if We will find you in these databases, We will refuse to enter into a business relationship with you.

For certain banking products, We use automated individual decisions based on scoring **to conclude the contract** for the product you requested. For example, We use the loan scoring to assess your eligibility for contracting the requested loan. The algorithms that We use for the loan scoring consider different criteria, in line with our risk policy, such as your financial condition, your creditworthiness, exposure, payment behaviour, employer status, debt history, etc.

The criteria and the algorithms that We consider relevant may vary over time.

We use automated individual decisions also for ensuring the security of the Bank's products and services, as well as to protect you as much as possible against the risk of fraud, thereby ensuring **the proper execution of the contract** concluded with you.

For example, We monitor the payments you make online or with your card, and if We identify suspicious transactions (such as unusual repetitive payments like frequency, value, etc., or other transactions with illogical sequences - such as payments in different locations (cities) at short intervals, which did not allow the holder to move to those locations in accordance with the current technique) and/or do not match to your transactional profile, We adopt measures on automated basis (such as blocking the suspicious transaction, blocking the card, blocking the account, etc.).

Also, if We have obtained your **express consent** in this regard, We may use automated individual decisions to transmit you (We or companies within BRD Group, depending on your option) personalized commercial communications (for details, please see Section III G, above).

You will have appropriate guarantees for the automated decisions We take. In particular, you will have the right: (i) to express your point of view on that particular automated decision; (ii) to request a reassessment of the decision, based on human intervention; respectively (iii) to challenge the automated decision.
