

1 SELECT “PAYMENTS” FROM THE MENU

In the “**From Account**” field you can select the account from which you want to transfer the money. In “**To Account**” field search the beneficiary or insert the name, then write the **amount**, the **IBAN** and the **payment details**.
If you want to schedule this payment, then press the “**Schedule payment**” button and a pop-up will be displayed, otherwise click on the “**Continue**” button.

2 SCHEDULE PAYMENT

Once the pop-up is displayed you can start the process.
Choose the desired date from the “**Start date**” field to make a future payment, then click on the black “**Apply**” button. If you are interested in a **recurring** one, then click on the “**Repeat payment**” checkbox, choose the **final date**, and the **frequency**: daily, weekly or monthly. After you have completed all the fields, click on the black “**Apply**” button and continue the payment process.

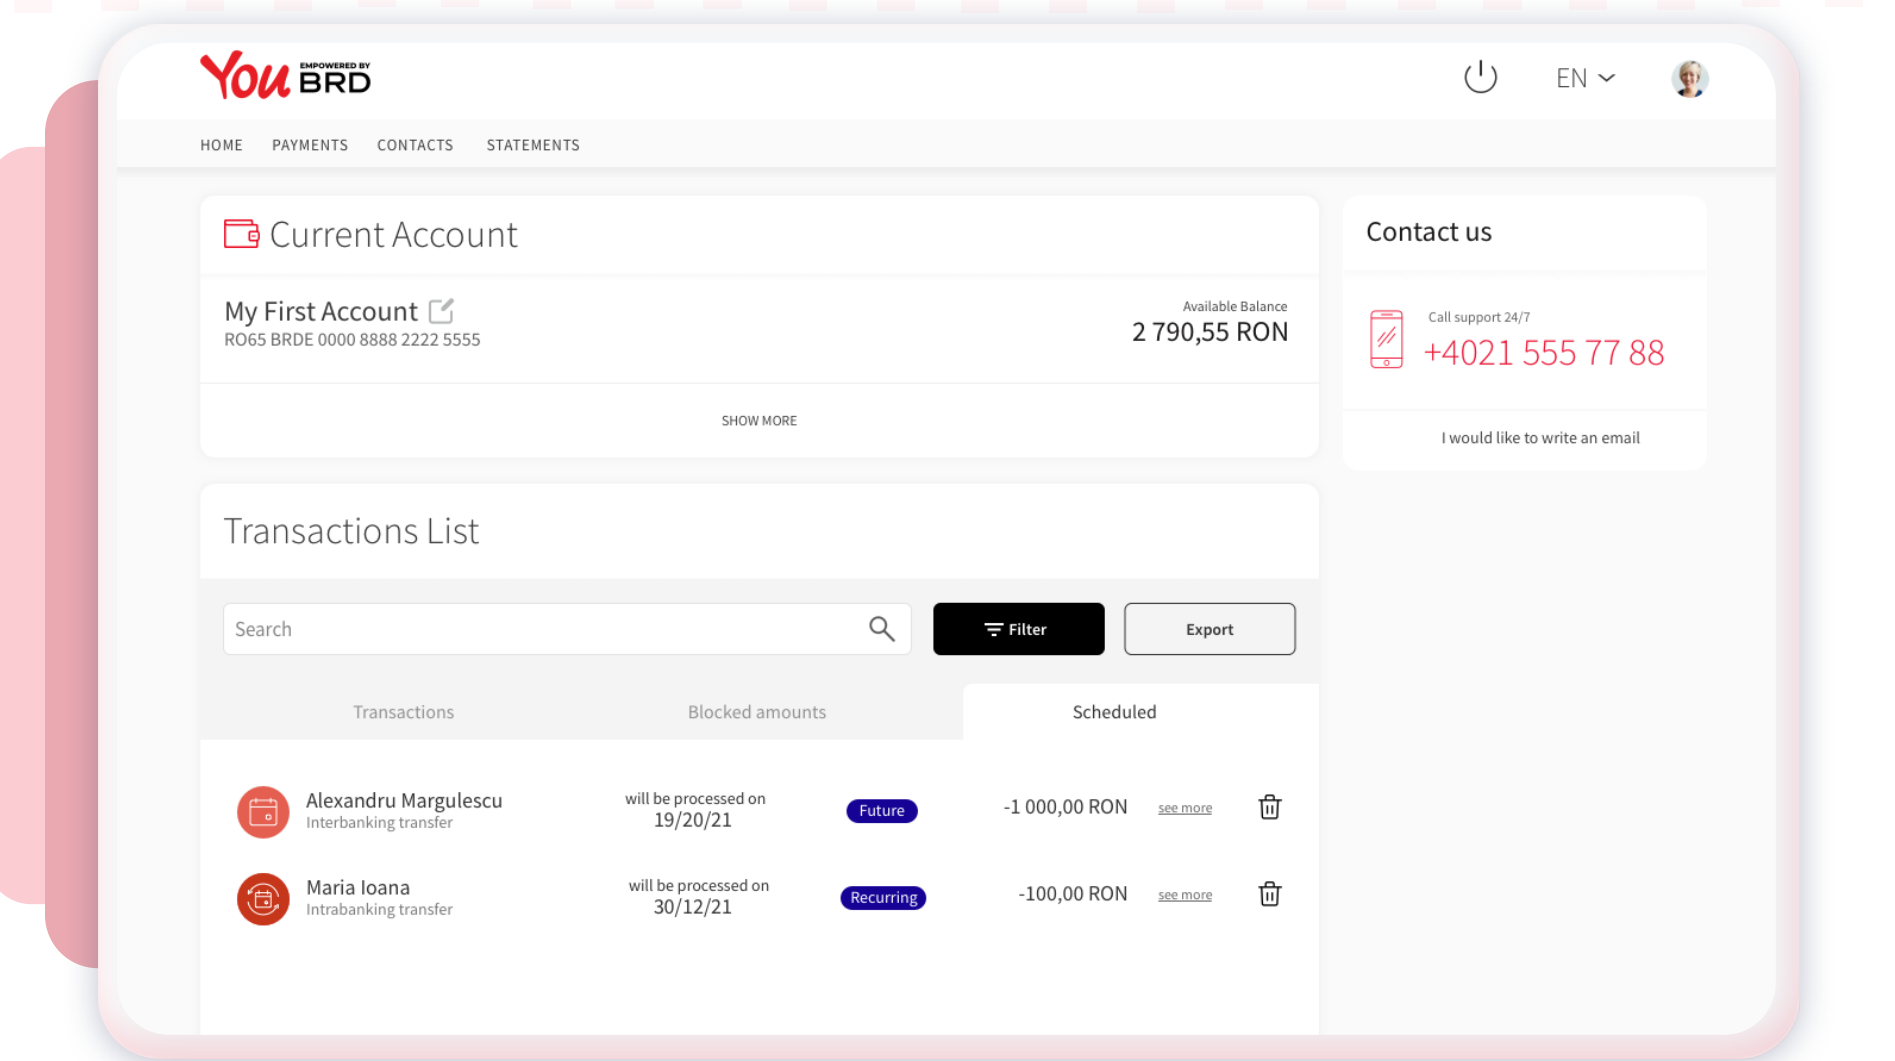

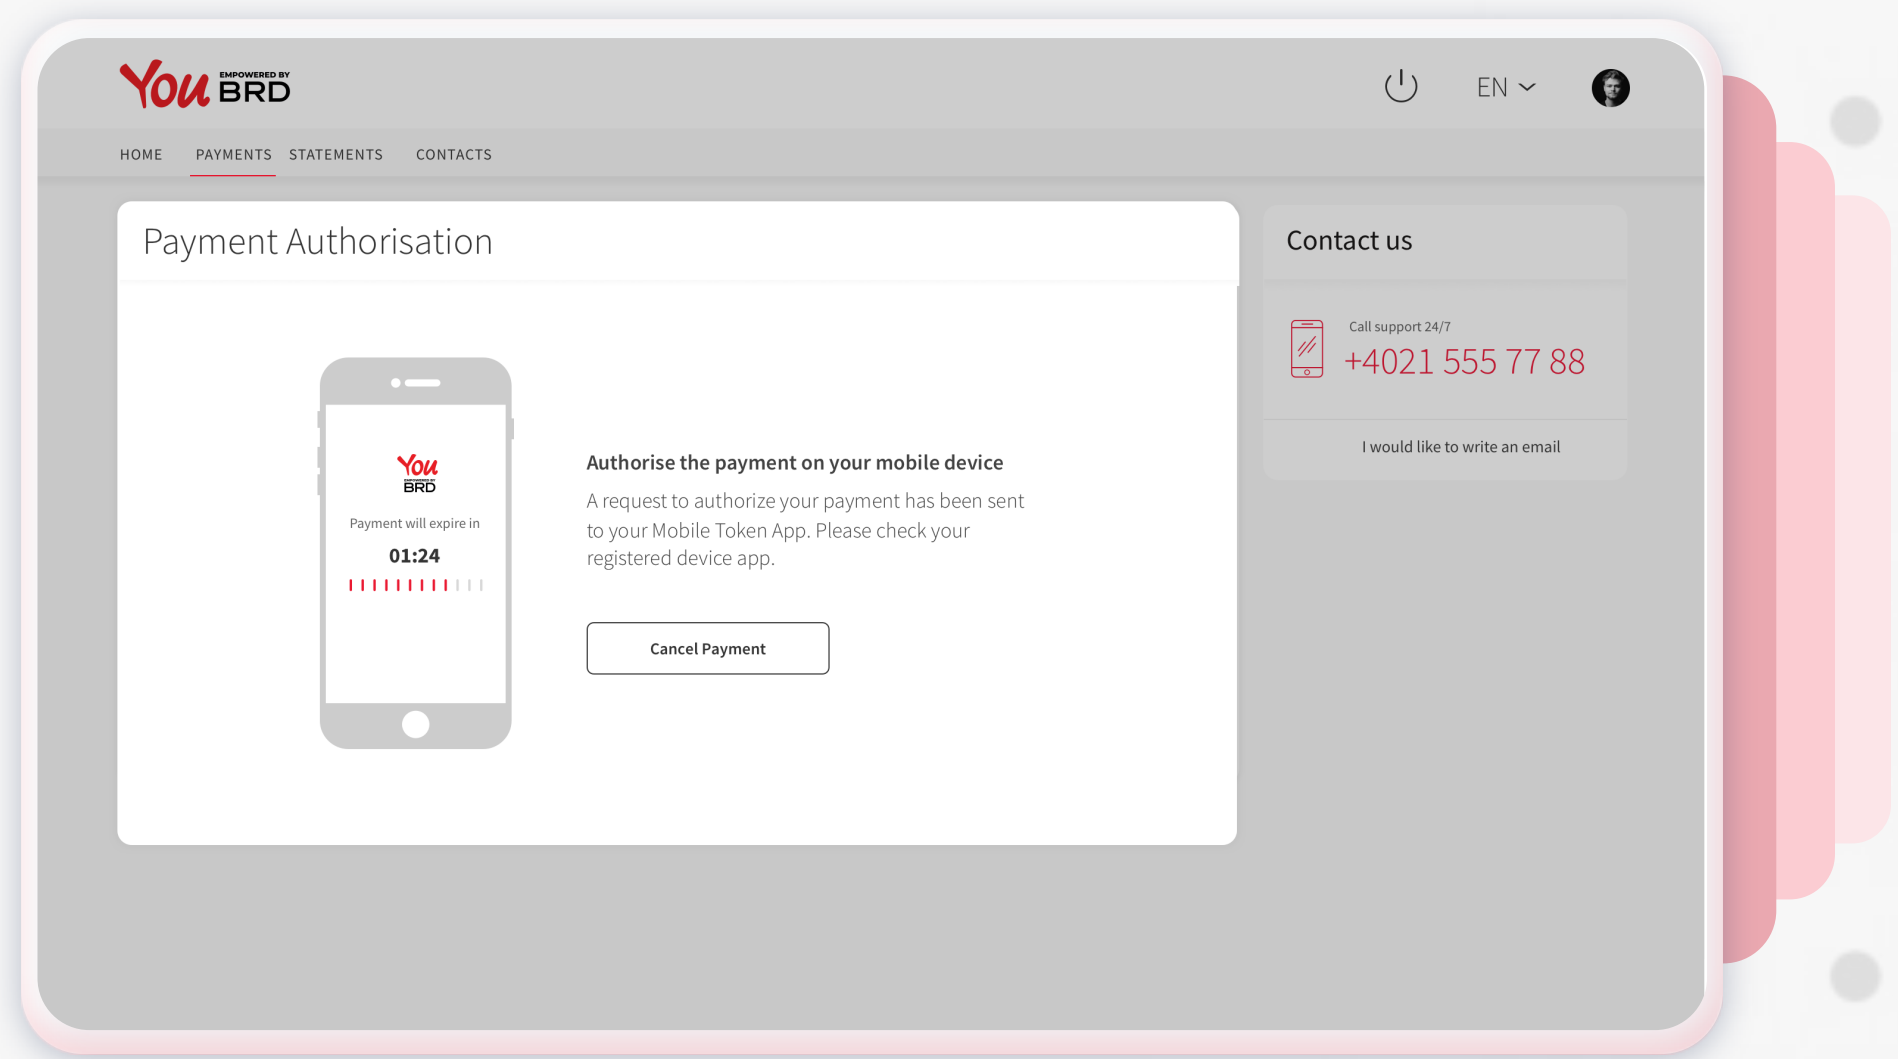

3 PAYMENT SUMMARY

In “**Payment Summary**” screen you can check the payment details. If everything is ok click on “**Continue**” button to finalize your payment, otherwise click on “**Back**” button and edit any information you want.

4 PAYMENT SUCCESSFUL SET

The payment will be processed on the future date you have chosen.

5 VIEW FUTURE AND RECURRING PAYMENTS

You can view at any time your scheduled payments, all you need to do is to click on the desired account from the **Homepage**, and to click on the third tab “**Scheduled**” from the transaction history section.

6 DELETE A SCHEDULED PAYMENT

If you want to delete a future or recurring payment, you need to click on the delete icon (is the last element from the row) and a pop-up will be displayed, you have to choose “**Yes**” if you are sure you want to delete it, otherwise click on “**No**” button
