¹The discount applies for any type of credit (except for Prima Casă). The package owner benefits from this reduction regardless of the number of loans contracted during the life of the package and regardless of the currency of the loan.

²The annual management fee of the credit card is free, during the period of ownership of the package by the holder, starting with the next payment date of the annual management fee charged on the anniversary date of the credit card after the purchase of the package or at the first operation performed with the introduction of the PIN code.

³Insurance component, in two alternatives, optional in the package. Only one of the two options can be chosen, at the moment of package opening. The preferential premium is perceived in the equivalent of the currency of the paying account, separate from the monthly maintenance fee of the package. The package owner may benefit of the preferential prices for Confort premium granted in the package only for the card included in the package (package owner's card).

The Card Like package customer can benefit from preferential rates of the Confort premium granted in the package only for the insurance taken out until 14.09.2023.

⁴The monthly package management fee is 0 (zero) lei/month, under the condition of: recurrent incomes encashments, for Card Start lei, Card de Zi cu Zi lei, Card Gold lei, Card Platinum lei packages.

Recurrent income means that income which fulfills all of the followings: (i) it comes from regular cash incomings: salaries, rents, pensions, allowances, scholarships or other regular types of incomes; (ii) is received in the current accounts of the customer held at BRD; (iii) is at least: 1.000 lei/month for Card Start Lei package; 2.500 lei/month for Card de Zi cu Zi Lei package; 8.000 lei (or equivalent in account currency)/month for Card Gold package; 12.000 lei/month for Card Platinum package. Amounts coming from loans granted by the Bank, deposits which reach maturity, credit transfers between own accounts are not considered regular income.

In case the condition of regular income encashment stated above is not fulfilled, the Bank will charge the package management fee as stated in the Taxes and Fees Guide for Individuals in force. In this case, the client irrevocably and unconditionally authorizes the Bank to automatically deduct from the package account the value of the package management fee on the 20th of each month, for the previous month in which no recurring revenue was received or assets holding condition in BRD Group was not fulfilled in the mentioned amount. In all cases, the customer will benefit from a grace period in the month when the package is activated and in the following calendar month, in which the customer will not pay the package management fee regardless if the regular income condition or assets holding in BRD Group in the mentioned amounts is fulfilled or not. Starting with the 4th calendar month, counting also the activation month, the Bank will verify, for the previous calendar month, the meeting of the recurrent income condition in the mentioned amounts, for the current accounts of the customer opened at BRD (except for Prem1er package, for which the condition is verified for a period of 12 months previous the month when the condition is checked, respectively for the number of months from the date the Prem1er package was opened if this is smaller than 12 months) or assets holding in BRD Group, in products held by the client at BRD, in the mentioned amounts. If the condition is not fulfilled, the Bank will charge the package management fee in force and will debit the package account based on the mentioned direct debit mandate. It does not constitute a renunciation of the Bank to the right to receive this commission in the future situation in which this right was not exercised within a certain period, without retroactively charging the client costs.

⁵Optional service included in the package with special tariff, that is charged separate from the monthly package management fee.

⁶The monthly package management fee is 0 (zero) lei/month for the lifetime of the package, for customers who apply online for the package offer within the BLACK FRIDAY Campaign, in the period 11– 13.11.2022 on the campaign page www.brd.ro/yey-friday and the package subscription is done in any BRD branch, until 15.12.2022.

*Starting 16.06.2025, Atucont savings account was no longer commercialized.

¹The preferential premium is charged in the currency equivalent of the paying account, separately from the monthly package administration fee. The customer who is the holder of the package may benefit from the preferential rates of the Confort premium granted in the package only for the card purchased in the package (the package's owner's card);

²The monthly administration fee for Card Gold EUR package is EUR 0, provided that the client receives recurring income of at least RON 8,000/month in current accounts held by the client with BRD;

Recurring income means income that fulfills the following cumulative conditions: (1) it comes from regular receipts: salaries, rents, pensions, allowances, scholarships or other types of regular income; (2) it is received in the current accounts held by the customer with BRD; The amounts deriving from loans granted by the Bank, amounts deriving from matured deposits, credit transfer operations carried out from own accounts do not represent recurring income. The BRD group (BRD - Groupe Société Générale SA, BRD Asigurari de Viata SA, BRD Asset Management SAI SA) holds resources within the BRD group (BRD - Groupe Société Générale SA, BRD Asigurari de Viata SA, BRD Asset Management SAI SA) means the end-of-month balance on current account, savings account, term deposit and investment products (government and corporate securities, shares and other financial instruments listed on the capital markets, structured placements, investment funds and insurance with an investment component).

The payment transactions that are taken into account when verifying the package condition are the following: (a) payments through the YOU BRD internet & mobile banking service, from any current account held by the Customer, representing intra-bank payments (except payments between accounts of the same customer), intra-bank payments with financial instruments, instant/standard interbank payments (including payments to the treasury), bill payments, and (b) payments made with the debit card included in the package, at the Acceptors' POS, including online payments (except for quasi-cash transactions), and bill payments made with the card at ATM/MBA/ROBO.
