

# REPEAT A PAYMENT

If you want to repeat a payment, now everything is much easier. Payments that can be repeated are marked with this sign.

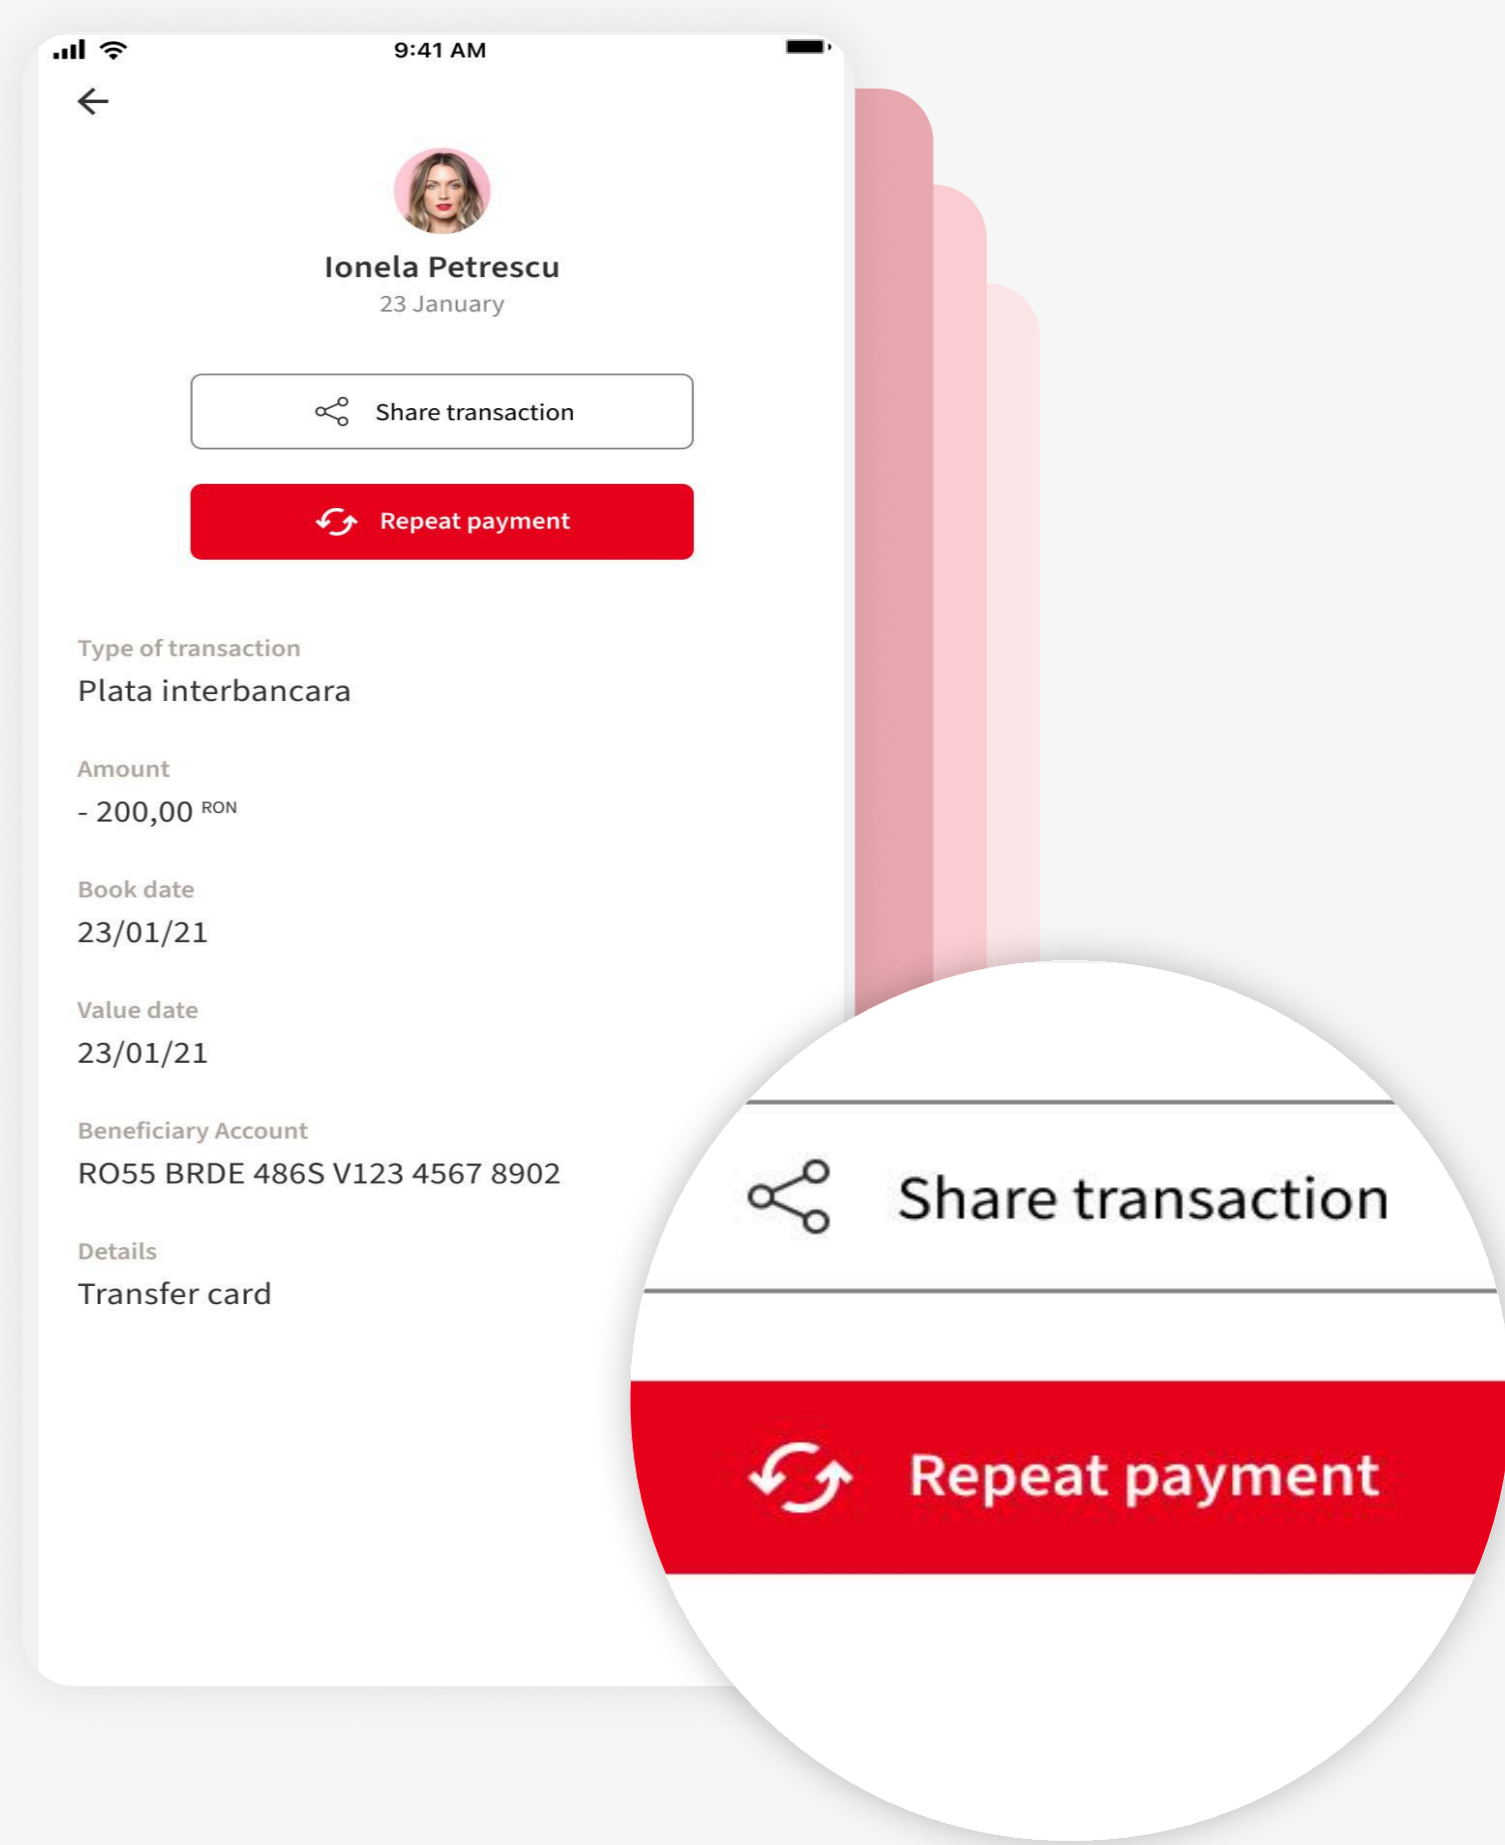

It is enough to enter the payment details page and click on the "Repeat payment" button, without having to re-enter the new payment information.

## 2 DETAILS TRANSACTION PAGE

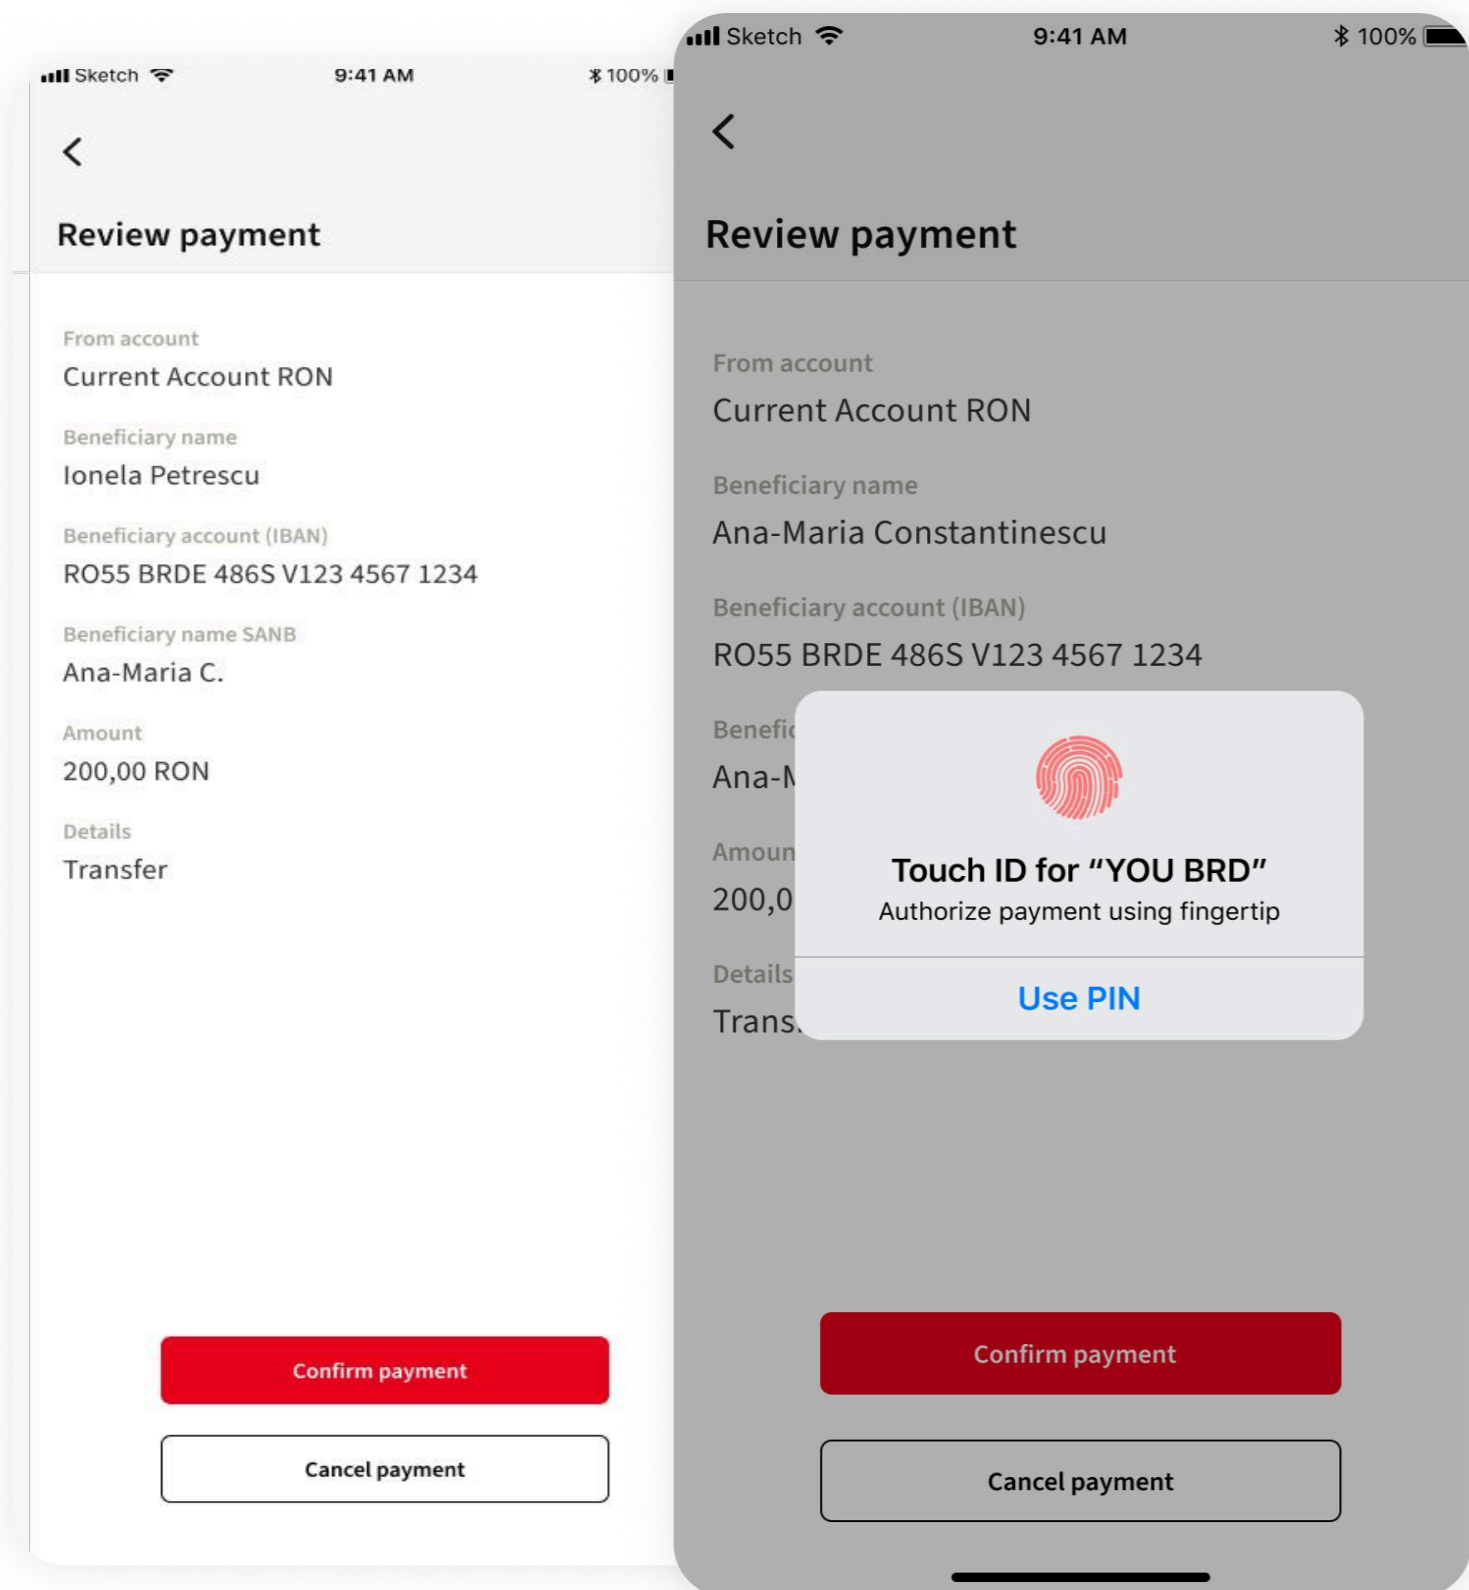

Access the details page of a completed transaction. Click on the "Repeat payment" button.

You will be directed to the payment page with the data already filled in. There you have the option to modify or keep all the settings of the new payment.

## AUTHORIZE AND PAY

Check the details of the new payment and Authorize.

## 5 CONGRATS!

So in 2 simple steps you have made another payment without having to go through the entire payment process from the beginning!
